

We are grateful to these local businesses and organizations who joined us in recognizing Breast Cancer Awareness Month. Your sponsorship not only helped bring these pages to our readers, but also helped turn awareness into action. Thanks to your generosity, a donation was made to the Susan G. Komen Foundation in support of the fight against breast cancer.

Thank you for caring, supporting and making a difference in our community.

Prepare for power outages with Generac

Home Standby Generators Available Now & Ready to Install!

Runs on highly efficient, cleaner-burning[®] Natural Gas or LP Fuel
* As compared to other fossil fuels.

Public Safety Power Shut-Offs could leave you without power for days, or longer. That means no lights, no refrigerator, no electronics. But with a home standby generator from Generac, you'll have power when you need it the most.
