

This week's rescue group:

# Let's Put Our Paws Together

## to support the local rescue groups in Tioga & Potter Counties

**Our mission is simple: To turn compassion into action!**

This is a lifesaving mission for dogs and cats in our community and is possible through the following actions:

- Adopting healthy animals into loving homes
- Promoting the human-animal bond through outreach, education, & advocacy
- Spaying and neutering to end the suffering of overpopulation and improve public health

Meet **ANNA**

Meet Anna, an independent feline who's ready to leave shelter life behind. Since arriving in January, she's decided she'd much rather have a quiet home where she can nap and play with toy mice on her own schedule. Anna is believed to have Feline Hyperesthesia, which can cause nerve pain that worsens with stress. Because of this, she prefers gentle head pets and can become overstimulated by full-body petting. She does well with other cats as long as they respect her space, and she'll simply walk away if they bother her. You'll often find Anna napping in a sunny window or playing by herself. She's a sweet girl who just wants a peaceful home to call her own. If you're interested in adopting Anna, please contact Animal Care Sanctuary for more information.

Meet **DAISY**

This gorgeous tortie is as affectionate as they come with people. Daisy absolutely adores her humans and will happily soak up all the love and attention you're willing to give. She's looking for a home where she can be the one and only queen of her kingdom, as other cats and animals just aren't her thing. Daisy may need about three days to settle into a new environment (she can be a little hissy at first) but give her a slow introduction and a little patience, and she'll quickly show you her sweet, loving side. If you're looking for a loyal companion who will love you endlessly (and rule your home with a little sass), Daisy might just be your perfect match.

Meet **BAILEY**

8 years young and still rocking that classic beagle charm. Bailey is curious, cuddly, and happiest when she's posted up on the front porch keeping an eye on the neighborhood happenings. She's friendly, loyal, and just stubborn enough to keep life interesting — because what's a true beagle without a little sass? Bailey would love a calm home where she can relax, sniff around, and soak up all the love. She gets along best with calm, dog-neutral companions and would do especially well with gentle, dainty dog friends. If you're looking for a sweet sidekick with soulful eyes, porch-sitting expertise, and plenty of personality, Bailey might just be your perfect match.

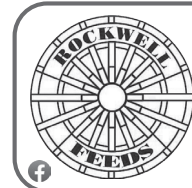

Meet **MECCA**

Mecca is a friendly, energetic 2-year-old with enough love and enthusiasm for an entire neighborhood. She's dog-social, super sweet, and always down for playtime, adventures, or making new friends. Fun, affectionate, and always ready to brighten your day, Mecca brings happy chaos and nonstop tail wags wherever she goes. Come on into ACS and say hello, you never know, you might just be leaving with your new best friend.
