

Farmland Preservation Program

Accepting Applications

The Tioga County Agricultural Preservation Board will be taking applications for the purchase of development rights of farms within legal Ag Security Areas of Tioga County until March 1, 2019. Offers must be in an Agriculture Security Area, be of at least 50 acres, and have at least 50% crop and pasture land in land capability classes 1 thru 4. If you are interested in an application for Farmland Preservation, please contact Andrea Boyce at the Tioga County Conservation District at (570) 724-1801, ext. 1301.
