UPMC EMERGENCY DEPARTMENTS:

GOING THE DISTANCE

to keep you safe and separated from possible COVID-19 patients.

Enhanced safety protocols in every UPMC Emergency Department.

When you have an emergency, you can count on UPMC for the high-quality care you expect, plus robust screening for COVID-19, isolation of patients with symptoms, thoroughly sanitized facilities, personal protective equipment, and plenty of space to feel comfortable. Be confident that UPMC Emergency Departments are safe and ready to care for you.

ISOLATION FROM OTHER PATIENTS

CLEAN AND DISINFECTED FACILITIES
