

ADOPT | FOSTER | DONATE | VOLUNTEER

Let's Put Our Paws Together

This week's rescue group:

to support the local rescue groups in Tioga & Potter Counties

Potter County Animal Assistance (PCAAP)

814-389-5599 | pcaap2012@gmail.com
www.pottercountyanimalassistanceproj.org

Anyone interested in adopting call Lucinda at 814-367-8595

Like the PCAAP Facebook to find out how you can help and to keep up to date on our events!

Meet **EVA**

Eva was found as a stray but was clearly not a feral cat. This usually means that someone had her long enough for her to trust people then dumped her. She was spayed and vaccinated on March 6th. She is a very sweet girl and loves to show off her toe beans! She is an INSIDE ONLY kitty. She is currently in a foster home.

Meet **PRINCE**

My name is Prince. I'm a neutered male. I'm a very sweet, loving cat who wants hugs, kisses, and cuddles. I will follow you around the house and wait for you until you get home. I was a bottle baby as I was found when I was only a few days old. Now I'm 1 year old and I'm looking for my forever home.

Meet **RASCAL**

My name is Rascal. I'm a neutered male and I'm 8 months old. I like to just be a cat—up on the highest part of the cat tree watching birds out the window. I am good with other cats, dogs, and also farm animals. I do like to go outside and also be inside. I like to be petted, but on my terms.

Your new best friend is waiting.

Winter Wellness: Has your pet had his/her preventive care exam (wellness exam) yet? Cold weather may worsen some medical conditions such as arthritis. Your pet should be examined by a veterinarian at least once a year, and it's as good a time as any to get him/her checked out to make sure (s)he is ready and as healthy as possible for cold weather.
