Meet DAISY

Daisy is a 3-year-old female who is fully vetted and ready for her forever home! She is an incredibly loving girl with a sweet personality and plenty of affection to give.

Meet JOSIE

This beautiful dilute calico girl is as sweet as she is pretty! Josie has some neurological challenges that make her a little wobbly, but she doesn't let that slow her down! She's made HUGE progress and continues to improve every day! Josie is sweet, loving, and full of life! She just needs a family who will love her exactly as she is. A little different, but every bit as deserving of a forever home!

Meet JOY

Joy is a 5-year-old female with a huge smile and an even bigger heart. She's a happy, affectionate girl who just wants love, attention, and to be close to her people. Joy has a past bite incident involving a child during an inappropriate interaction, so we recommend older, respectful kids who understand boundaries. She also has focal seizures that are being successfully managed with medication, and she has not had an episode in weeks. In the right home, Joy is a loving, loyal companion who brings pure sunshine with her wherever she goes.

Meet ARCHIE

Archie is a 1-year-old male cat who is full of personality, mischief, and cuddles! This playful boy is always ready for an adventure but loves his snuggle time, too. Archie is fully vetted and ready to find his forever home!
