Meet **BRENNA**

Brenna is an absolute social butterfly and gem of a friend, who adores all people, especially little kids. She's a happy, smiley, snuggly, playful wiggler with so much love to give. She's just over a year old and we're told a pitie/German Shepherd mix. She loves playing with most other dogs, but may do best as the only one in a home with occasional doggie playdates (no cats, please). Brenna is spayed, microchipped and up to date on vaccines.

Meet **BROCK**

Brock is ready to be your snuggle buddy, your adventure partner and your trainer at the gym. If you're into "ruff" and tumble handsome hunks with boundless good-time energy, then this boy is for you! Brock is a 1 or 2-year-old boxer mix who is good with other dogs, but is looking for a cat-free home. With his size and strength, tiny kids may not be the best fit, but he'd probably love older ones to play with. Brock is neutered, microchipped and up to date on vaccines.

Meet **LAVERNE**

Laverne is a lovely lady with the sweetest wide-eyed surprised expression. She's about 4 years old and while she needs a little bit of time to assess new people, once she knows you're a friend, she becomes your shadow. She'll follow you around the room, asking for attention. She's just fine with other cats and probably would be with nice dogs with proper introductions. Laverne is spayed, microchipped and up to date on vaccines.

Meet **BEAU**

Beau is hoping to fly off to a new nest now that all of his siblings are adopted. He's 5 months old and has lots of extra love to share and even more extra toes! He needs a little time to acclimate to new places, but once he does, he's brave and affectionate. He loves getting pets and snuggles while purring to his heart's content! Beau would probably be good with another young cat or friendly dog with slow introductions. Beau is neutered, microchipped and up to date on vaccines.
