

Meet Expand Energy

Built on experience. Focused on you.

We believe in a better way to lease, working directly with you, no middlemen involved. As one of the nation's most experienced natural gas operators, Expand Energy combines the legacy of Chesapeake Energy and Southwestern Energy, bringing decades of trusted operations in Pennsylvania.

- ✔ Largest natural gas producer in North America
- ✔ Extensive experience across Northeast Pennsylvania
- ✔ The resources to develop efficiently and safely

You're Invited

We invite you to join Expand Energy at an upcoming open house to learn more about our operations, our approach to land stewardship, and potential leasing opportunities. Meet our team, ask questions, and explore how we can work together.
