

Let's Put Our Paws Together

This week's rescue group:

to support the local rescue groups in Tioga & Potter Counties

Cause4paws is a small 501c3 non-profit feline rescue dedicated to stray and abandoned cats and kittens in Tioga County.

We assist with medical care, spaying and neutering (as funds allow) and if we find a friendly kitty, we do our best to find them a home. We also try to help those in need with food and litter.

Winter Wellness: Has your pet had his/her preventive care exam (wellness exam) yet? Cold weather may worsen some medical conditions such as arthritis. Your pet should be examined by a veterinarian at least once a year, and it's as good a time as any to get him/her checked out to make sure (s)he is ready and as healthy as possible for cold weather.
