

# THANK YOU

*The George Labant family wish to sincerely thank relatives, friends, and neighbors for their words of comfort, cards, flowers, food, donations and support during our sad loss of George.*

*We also send our gratitude and appreciation to the Kettle Creek Ambulance who has always been there for us and took George for his last ride through beautiful Potter County, Charles Cole UPMC for their excellent care and compassion for George and to Dawn Drake from Wetzler Funeral Home for helping us through this loss.*

*A SPECIAL thank you for the Third-floor staff at Cole for their outstanding care of George and their compassion for us, his family. The Doctors, Nurses, Aids and all employees went beyond their duties to help us at this sad time.*

*Thank you to the ER where George received prompt and excellent care.*

*There are not enough words to say how grateful we are for the wonderful Staff at UPMC Cole Memorial.*
