We are baffled - nay, offended! - that one of the nicest pair
of kittens we've ever had hasn't been snatched up yet!

Labbatt Blue (grey tiger, male) and Blueberry Shandy (dark grey, female) are everything you could want in kittens. Labbatt is playful and goofy, loving to carry around bottle caps he "catches," while Shandy is all about snuggles, including being cuddled like a teddy bear at night. They both make the cutest little chirps, have the loudest purrs, and are SO funny when they get to playing. They're good with other cats and dogs of all sizes, plus they're fixed, vaccinated, and microchipped! We don't ask for an adoption fee, just whatever their new family would like to donate. Please contact us or fill out an adoption form if you're interested here: www.tiogacountycatproject.com/adoption
