Hours: Tues, Thurs, Fri 12 to 5; Sat & Sun 12 to 4

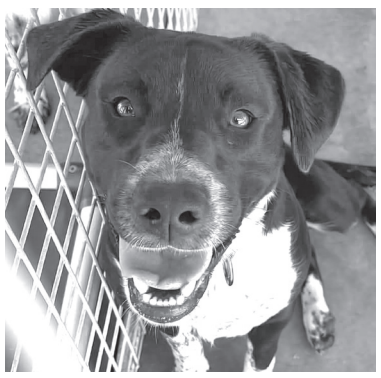

Meet BRUTUS

Don't let Brutus' serious expression fool you, because this senior citizen is as sweet as they come. This big-boned boy with an even bigger heart is a spry 12 years old. He's the first to greet you in his colony room and simply craves human attention. He's good with other cats and would likely be fine with nice dogs and respectful kids. Brutus is neutered, microchipped and up to date on vaccines.

Meet KITTYHAWK

Kittyhawk is hoping to fly into a new home! This 4-year-old girl is sweet, good-natured and super affectionate. She hangs back until you come to her, but she loves getting pets and attention in any form. She's good with other cats and would likely be fine with nice dogs and respectful kids. Kittyhawk is spayed, microchipped and up to date on vaccines.

Meet JOSEPHINE

Josephine or "Joey" has total girl next door (or across the creek) vibes. This 10-month-old border collie mix is friendly, sweet and smart. She can be on the bashful side, but her confidence is growing every day! She previously lived with kids, acts timid with cats, and is choosy about dog friends, so she requests a meet and greet. Joey is spayed, microchipped and up to date on vaccines.

Meet PACEY

Life isn't complete without a ride-or-bust best friend, the one who's always there for you season after season. Enter Pacey, a sweet and goofy 10-month-old border collie mix. He's choosy about dog friends, so he requests a meet and greet with any potential canine siblings. He previously lived with kids and would likely be just fine with cats. Pacey is neutered, microchipped and up to date on vaccines.
