AMAZON WISH LIST:

Meet **BAILEY**

Bailey's story will melt your heart. This 2-year-old sweetheart has spent most of her life in a shelter after being abandoned. She's shy at first but quickly warms up and gives the best snuggles! Bailey is great with other dogs, amazing with kids, spayed, vaccinated, and microchipped. She just needs someone to give her the chance she's been waiting so patiently for!

Meet **TY**

Ty senior 7-8 yr old, blue Pitt, male, great with kids, dogs & cats! Housetrained, great on & off leash, Ty is seeking a new home due to owners moving!! Ty is neutered, current vaccines, dewormed, flea treatment, microchip

Meet **JOY**

Joy is a 5-year-old female with a huge smile and an even bigger heart. She's a happy, affectionate girl who just wants love, attention, and to be close to her people. Joy has a past bite incident involving a child during an inappropriate interaction, so we recommend older, respectful kids who understand boundaries. She also has focal seizures that are being successfully managed with medication, and she has not had an episode in weeks. In the right home, Joy is a loving, loyal companion who brings pure sunshine with her wherever she goes.
