

POTTER COUNTY

BOWHUNTERS FESTIVAL

The setting of the shoot is in one of the most beautiful spots in PA. The courses are set out on over 200 acres of PA state forest lands. You will find an array of compound archery dealers, arrow makers, camo clothing, and more at this shoot. We offer seven courses with close to 180 targets, which are set up to practice realistic hunting scenarios to prepare you for the hunt to come. Most of what we do at this shoot is just for fun, but if you want to test your skill against others you can enter the Sharp Shooter comp. or the King of the Mountain course to win money and/or prizes. We have primitive camping as well as a five log cabins at the shoot. You will also find a list of several local lodging options to pick from as well.
