

Cedar Springs IV Wind Energy Project

Cedar Springs Wind IV, LLC, a wholly owned, indirect subsidiary of NextEra Energy Resources, LLC, is developing a 393-megawatt wind energy project on private and public land in Converse County, WY. The company is currently seeking a wind energy permit from Converse County and invites the public to attend a public hearing, held by the Converse County Board of Commissioners, to consider public comment on our application.

Public Hearing Tuesday, June 13, 2023

8:30 a.m.

Converse County Courthouse
107 North 5th Street
Douglas, WY 82633

For any questions, please contact Mitchell Daily, NextEra Energy Resources at (561) 779-7973.
