

## Fawn Slonka

**Title:** Pharmacy Technician Supervisor.

**Education:** Certified Pharmacy Technician.

**Where do you work?** Conemaugh Memorial Medical Center.

**Department:** Pharmacy.

**Years of service:** 40-plus years.

**What are your thoughts/concerns about working through the COVID-19 crisis?**

Thoughts about working during the COVID pandemic: I care about our patients and want them to get the best care we can provide.

I pray for our staff within our hospital. We could not provide the exceptional care without

all of us working together. I am proud to work here and especially with my department. We are like a family and we all need each other to get through this.

**Community of residence:** Geistown.
