ORDER

At the May 22, 2026 competency hearing, the Court found that Mr. Meehan was presently mentally competent and counsel for Mr. Meehan sought a continuance of the August 17, 2026 trial setting. Dkt. 208. The parties have filed a joint proposed pretrial schedule, requesting a trial date not earlier than April 26, 2027. Dkt. 211. For the reasons on the record at the competency hearing, the Court **GRANTS** the requested continuance and **VACATES** both the August 7, 2026 final pretrial conference and August 17, 2026 trial settings, finding that the ends of justice served by the continuance outweigh the best interest of the public and Defendant in a speedy trial.

The delay attributable to the changed trial date shall be excluded from the Speedy Trial Act's time computations. 18 U.S.C. § 3161(h)(7)(A). The interests of justice stated in the motion to continue are best served by the delay so that both the Defendant and the government can adequately prepare for and receive a fair trial and attempt an agreed resolution of the case. Those

interests outweigh the interests of the public and Defendant in a speedy trial at this time in this case. See 18 U.S.C. § 3161(h)(7).

The Court **ADOPTS** the parties' joint proposed pretrial schedule as follows:
