

Ending Israeli occupation and genocide in Palestine is intertwined with ending Israeli control over U.S. government

The Jewish Ethnic Factor within the American government system precludes bringing home some 70,000 U.S. troops whose deployment for Israel's security and prosperity in the Middle East cost some \$8 trillion and millions of innocent people who were savagely killed or displaced since 2000

Joe Biden

"They will tell me what I need to know, not what I want to know."

For example, Biden opposes the death penalty, but Garland wants it reinstated for

Dzhokhar

Tsarnaev

These disproportionate Jewish ethno-political appointments or nominations by both Biden and Trump in addition to dozens of elected Jewish Members of Congress (and a third of US Supreme Court members in 2014) can only give a glimpse of the Power of Israel in the United States and the depth of the antiSemitism cover up to justify the occupation of Palestine in violation of international law, human rights, and Jewish law (especially the Three Oaths prohibiting Jewish national disloyalty, mass emigration to the Holy Land, and any attempt at hastening Jewish redemption)

Iraq Was Invaded 'to Protect Israel'

Remember: The "ardent faith" of the war in Iraq was conceived and disseminated by a small group of 25 or 30 neoconservatives, almost all of them Jewish, almost all of them intellectuals (a partial list: Richard Perle, Paul Wolfowitz, Douglas Feith, William Kristol, Eliot Abrams, Charles Krauthammer), Ha'aretz (Israel, April 3, 2003), <https://www.haaretz.com/1.4764706>,
