Vermillion IN-165-6A-0001  
Vigo IN-167-6A-0001

Dear Marc Fisher:

The Vigo County Board of Commissioners are asking for a 30-day extension for public comments regarding Wabash Carbon Services, Class VI UIC Injection wells. We believe this will allow Wabash Carbon Services, LLC sufficient time to address valid concerns from the community across northwest Vigo County.

Sincerely,

Vigo County Commissioners; Mark Clinkenbeard, Mike Morris & Chris Switzer
