I am writing to inform you that I have moved. After joining Wilkinson Goeller in 1987, I have opened my own office. My long-standing colleague, Karen McCammon, has joined me.

You may have received a letter from Wilkinson Goeller informing you of your right to select the attorney of your choice. If you desire to continue to have me serve as your lawyer (and I hope you make that choice) it's a good idea to request transfer of your file from 333 Ohio to my office here. To do that, all you need to do is sign and mail/e-mail the enclosed Transfer Request form to:

Mr. David P. Friedrich
Wilkinson, Goeller, Modesitt, Wilkinson & Drummy, LLP
333 Ohio Street
Terre Haute, IN 47807
DPFriedrich@wilkinsonlaw.com

Please contact me or Karen with any questions or concerns you may have.

Very truly yours,

William M. Olah

Please transfer to Attorney William M. Olah all my/our files (whether personal or those of an entity I/we control) maintained by your office—whether in paper or digital form. I recognize your right to make copies of any/all items contained therein. To be clear, I/we are NOT waiving any privilege/right of confidentiality with respect thereto since all data therein was acquired while your firm was in an attorney-client relationship with me, us and/or said entity/entities.

Thank you in advance for your anticipated cooperation with this request.

Dated: June 10, 2019.

Sincerely,

William M. Olah

On June 11, I resigned my law license upon being told that I may be going blind AND in the face of my old law firm accusing me of misappropriating law firm fee payments. While I believe I have defenses to those allegations, today that firm filed official charges with the Disciplinary Commission and advised me to retain a criminal attorney. I have chosen to submit to whatever results.

I had worked at that firm for 32 years. Having no license, I have closed my private practice office. Moreover, any advice or opinion I give after that surrender on June 11 could be viewed as the unauthorized practice of law...so, I do not dare answer your questions, review contracts for you, prepare estate planning documents, or do anything else a lawyer historically does for clients. In sum, you need to find new legal counsel. If I possess any materials you desire, please send your e-mail request to wmolah@olahlegal.com and I will do my best to arrange a mutually agreeable pick-up time at 18 S. 16th Street.

You are going to hear a lot of bad things about me, but I still consider each client a friend. I always strove to do right by you in the services I provided. I feel I am like all other folks in that I'd rather be remembered for the best things I did than the worst.

Bill Olah
