

In Loving Memory

Theresa Rebeiro

March 25, 1946 – Sept. 20, 2026

Theresa Louise Rebeiro, affectionately known to everyone as "Terri," was born on March 25, 1946, in French Camp, California, the daughter of Robert Runquist and Margret (Runquist) Marshall. She passed away peacefully on Sunday, September 20, 2026, following a brief illness, with loved ones by her side.

Known for her spicy personality and strong opinions, Terri grew up a proud tomboy. She spent her childhood summers swimming and playing baseball with her cousins, developing a lifelong passion for sports. She was an avid Raiders fan who loved football almost as much as she loved driving fast and visiting Black Oak Casino.

Terri was married to the love of her life, Joseph "Joe" Rebeiro, for 48 beautiful years. Following his passing, she deeply longed to join him in heaven, and her family takes great comfort in knowing they are now peacefully reunited in eternity.

When her children were young, she was always fully involved, loading her car to the brim with kids and driving them to sporting events while also volunteering in the classroom. When grandchildren came along, she embraced her role with matching enthusiasm, creating cherished traditions such as taking them on summer outings to her trailer in Sugar Pine.

Terri was preceded in death by her beloved husband, Joseph, and her son, Robert Rebeiro.

She is survived by her son, Joseph (Judy) Rebeiro; daughter-in-law Denise Rebeiro; and daughter Michelle (Jeff) Cotta; her grandchildren, Kristy (Levi) Meservy, Joycelynn (Jacob) Alford, Jessica Rebeiro, Samantha (Braden) Walsh, Erica Rebeiro, Cecilia Rebeiro and Emma Cotta; and six great-grandchildren.

Services will be held Tuesday, Oct. 27, 2026, at St. Bernard's Catholic Church, 163 W. Eaton Ave. in Tracy. The rosary will begin at 10:30 a.m., followed by the Mass of Christian Burial at 11 a.m. The committal service will be held at Tracy Public Cemetery, 501 E. Schulte Road. A reception at the Portuguese Hall will follow.

In lieu of flowers, the family requests donations in Terri's memory be made to the CACNA1A Foundation (cacna1a.org) to support research toward a cure. The cause was close to her heart as her great-grandson battles this genetic disorder.
