

In Loving Memory

Susan Dianne Bedford

December 12, 1961 – July 14, 2026

Susan Dianne Bedford, 64, a beloved wife, mother, grandmother, daughter, sister, and friend, passed away on July 14, 2026. Born on December 12, 1961, in Tracy, California, Susan spent her life in the community she called home, building a life rich in family, friendship, and love.

Susan was the daughter of Alex and Roseline Miller. She was preceded in death by her father, Alex, and is survived by her mother, Roseline.

She shared 17 years of marriage with her husband, Scott Bedford. Susan was also the loving mother of her two sons, Brian Hicks and his wife, Mia, and Brett Hicks and his wife, Talia. She was a cherished grandmother to Ellie, Lylah, Riley, Anniston, Nathan, and Macy, who knew her as Grammy and Mimi. She is also survived by her brother, Craig Miller, and his wife, Roseann.

Susan spent her career in dental office management, where she brought her warmth, dedication, and natural ability to connect with others to her work. Outside of her career, she found joy in the simple pleasures of life: shopping, visiting with friends, making iced coffee runs, and, most of all, spending time with her family.

Those who knew Susan will remember her for her ever-present love and affection. She had a way of making the people in her life feel deeply loved, and she gave that love freely and wholeheartedly. Whether through a thoughtful gesture, a warm embrace, or simply being present, Susan made sure the people she cared about knew how much they meant to her.

Her family was the center of her world, and the love she poured into them will remain one of her greatest legacies. She will be remembered not only for the roles she fulfilled so beautifully, but for the warmth, kindness, and affection she brought to each of them.

Susan's passing leaves an immeasurable space in the lives of those who loved her, but her memory will live on in the family she cherished, the friendships she nurtured, and the countless moments of love she shared throughout her life.

She will be deeply missed and forever loved.

Donations may be made in Susan's name to Hospice of San Joaquin. Their compassionate care was a godsend to Susan and her family, and the family is deeply grateful for the comfort, kindness, and support they provided during her final days.
