SENATORS TO EMBARGO ON FOOD SALES TO EUROPE

Rush to Relieve Car Shortage, While Continues of Justice Department Probe, Are Other Steps in High Price Crisis; Riots Are Growing Worse

CHICAGO, Feb. 24.—Investigative of the police department, in taking a census of food supplies here today found a shortage of one refrigerating company's plant two million pounds of poultry, 500,000 pounds of butter, and six car loads of meat, fish and apples. The investigation was ordered by the chief of police for the purpose of learning whether the prevailing high prices of food were due to scarcity of supplies, as claimed by dealers.

WASHINGTON, Feb. 24.—A substantial improvement in the car shortage situation, the department west of many cities of food staples in western states, probably to Congress looking toward the use of national bonds, and continued activity in the distribution of food, were among today's developments in the national movement's continuation of the nation-wide rise in the price of necessities. The interstate commission continued a national campaign against hoarding, and the interstate commission of the nation-wide rise in the price of necessities. The interstate commission continued a national campaign against hoarding, and the interstate commission of the nation-wide rise in the price of necessities.
