

## **Congresswoman Kirkpatrick**

supports **ObamaCare**,  
supports **President Obama**, and  
supports **Nancy Pelosi** — even though

**They told us the lie of the year.**

They told us if we liked our health care plan and our doctor, we could keep them — but millions of families have learned firsthand that was not true. Over 6 million plans have been cancelled. Families are losing their doctors.

**Tell Congresswoman Kirkpatrick to stop thinking about politics, and start thinking about people.**

**It's time to be honest with us —**

**ObamaCare is hurting Arizona families.**
