B4 • Sunday, June 8, 2014 / Arizona Daily Star

ALGERIA

Population: 38 million (35th*) Per capita: \$7,600 (137th*) Been there before: Three times Pinnacle: First round The Redee mer: Forward Islam Slimani Fate in a tweet: After giving U.S. a scare in 2010, Algeria barely made it to Brazil. Expect the usual first-round exit. *Note: World ranking shown in parentheses

ARGENTINA Population: 42 million (33rd) Per capita: \$18,400 (74th) Been there before: 15 times Pinnacle: Winner (1978 and 1986) The Redeemer: Forward Lionel Messi Fate in a tweet: Smooth sailing through first round and Round of 16, then Argentina will have to hope Messi can shift gears from star to legend.

AUSTRALIA Population: 22 million (56th) Per capita: \$43.300 (20th) Been there before: Three times Pinnacle: Round of 16 (2006) The Redeemer: Forward Tim Cahill Fate in a tweet: Brutal group (Spain, Nether lands, Chile) means the boys from Down Under will not likely see the light of day.

BELGIUM Population: 10 million (84th) Per capita: \$38,500 (30th) Been there before: 11 times **Pinnacle:** Fourth place (1986) The Redeemer: Forward Eden Hazard Fate in a tweet: Even without striker Christian Benteke, Belgium can win its group. But the Red Devils will likely cool off in the knockout stages.

BOSNIA AND HERZEGOVINA

Population: 3.8 million (129th) Per capita: \$8,400 (129th) Been there before: First time Pinnacle: None The Redee mer: Forward Edin Dzeko Fate in a tweet: Dzeko and Vedad Ibisevic, who played a year at Saint Louis U, give B&H a strike pair that few match, but U never know how

Population: 201 million (6th) Per capita: \$12,100 (107th) Been there before: 19 times Pinnacle: Winner (1958, 1962, 1970,

1994, 2002) The Redee mer: Forward Neyma Fate in a tweet: Certainly the host with the most. Brazil's big concern is the pressure of being at home. But a Seleção will nutmeg that and reach the final.

CAMEROON Population: 20 million (59th)

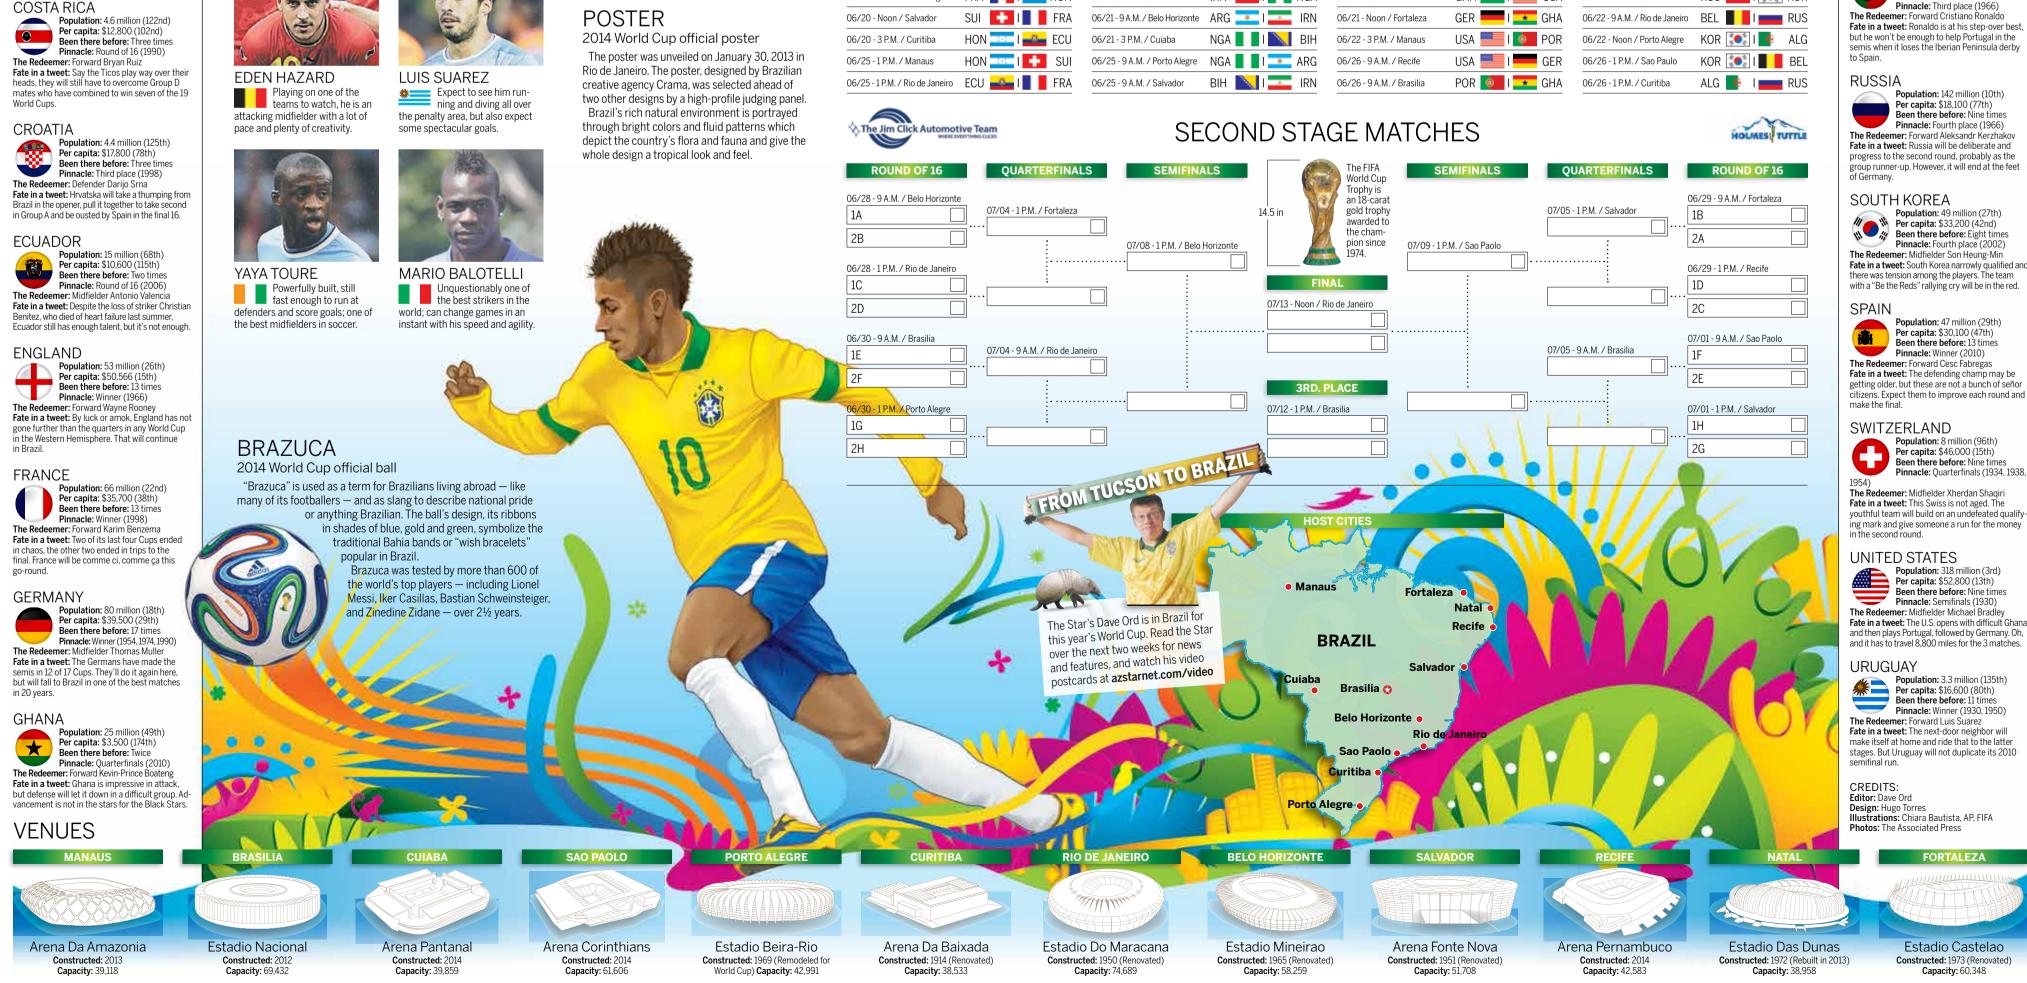

Fate in a tweet: Eto'o is still the Indomitable Lions mane er main man but this pride is missing the sharp teeth, so expect them to be the prey this time.

COLOMBIA Population: 45 million (30th) Per capita: \$11,000 (110th) Been there before: Four times Pinnacle: Round of 16 (1990) mer: Defender Mario Yepes The Rede

Fate in a tweet: Even without injured star striker Radamel Falcao. Colombia should top Group C and maybe even pull off a surprise in the Round of 16

9 A.M. GERMANY Thursday, June 26 / Recife TV: ESPN, Univision

HONDURAS Population: 8.5 million (94th) Per capita: \$4,800 (163rd) Been there before: Twice Pinnacle: First round The Redeemer: Forward Carlos Costly Fate in a tweet: The Honduran iersev is known for a large "H" on the left side. It should stand for "help

IRAN Population: 80 million (19th) Per capita: \$12,800 (103rd) Φ Been there before: Three times Pinnacle: First round

because it will need all it can get to survive.

The Redee mer: Midfielder Javad Nekounan Fate in a tweet: Iran has won just one match in its other three World Cup appearances. If it doubled that total in Brazil, it would be a big surprise.

Pinnacle: Winner (1934, 1938, 1982 2006) The Redeemer: Forward Mario Balotelli Fate in a tweet: The fate of this experienced Italian side will undoubtedly come down to if Super Mario can overcome his alter ego Ballistic Balotelli

Population: 22 million (55th) Per capita: \$1.800 (196th) Been there before: Twice Pinnacle: First round The Redeemer: Midfielder Yaya Touré Fate in a tweet: Ivory Coast should get out of its group, which is missing a real powerhouse, but the the burden will be too heavy for even Les Elephants

Population: 127 million (11th) **Per capita:** \$37,100 (36th) Been there before: Four times Pinnacle: Round of 16 (2002, 2010) The Redeemer: Forward Shinji Kagawa Fate in a tweet: Japan has never gone past the Round of 16, but always puts out a credible team t could come away without a loss yet still not advance

Population: 120 million (12th) Per capita: \$15,600 (88th) Been there before: 14 times Pinnacle: Quarterfinals (1970, 1986) The Redeemer: Defender Rafael Marquez Fate in a tweet: After the below-par qualifying campaign, it's hard to know how Mexico will do. If

NETHERLANDS

Population: 16 million (66th) Per capita: \$41,400 (24th) Been there before: Nine time: The Redeemer: Forward Robin van Persie Fate in a tweet: The Netherlands could go far, but if it underestimates Chile in the final first-round match the Oranje could be in Dutch with their fans

NIGERIA

Population: 177 million (8th) Per capita: \$2,800 (180th) Been there before: Four times Pinnacle: Round of 16 (1994, 1998) The Redeemer: Forward Emmanuel Emenike Fate in a tweet: A hot and humid second match against Bosnia and Herzegovina could be the decider on whether the Super Eagles soar into the second round.

PORTUGAL Population: 10 million (80th) Per capita: \$22,900 (64th) Been there before: Five times Pinnacle: Third place (1966)

the world **FULECO** 2014 World Cup official mascot The mascot is a Brazilian three-banded arma-And in case of dillo. It's one of only two species of armadillos with the ability to roll up into a tight, almost

> impenetrable ball. The name "Fuleco" is a fusion of the words "futebol" (football) and "ecologia" (ecology). The name was chosen by more than 1.7 million

fans in a three-month public voting campaign.
