DOMESTIC.
KILLING IN TOMBSTONE.

Special Dispatch to the Star.

TOMBSTONE, Nov. 14.—William Clay-
borne, alias Billy the Kid, was shot and
killed this morning at the Oriental sal-
oon in this city by Frank Leslie, alias

Buckskin Frank. The parties quarreled,
when the Kid went and armed himself
with a Winchester and returned to the
saloon, where he waited outside for the
appearance of Leslie. As the latter
emerged from the door the Kid opened
fire at a distance of fifteen feet, but
missed his man. Leslie drew his revolver,
and returning the fire shot the Kid
through the body, mortally wounding
him. He lived but half an hour after
being shot. The coroner's jury returned
a verdict of justifiable homicide. Both
parties have heretofore killed their men.

JAMES GORDON BENNETT.

NEW YORK, Nov. 14.—The Sun, in its
weekly review of Wall street affairs, has
the following this morning: James Gor-
don Bennett has a new cable scheme of
making or laying a cable to cost two
million two hundred thousand dollars, of
which Bennett, subscribes one million
and promises another million if a second
million is necessary, the total capital
then to be raised to five million dollars.

The new cable will be worked in con-
nection with the Baltimore and Ohio
system, and the Herald advises western
newspapers not to make any contracts
with the Western Union until Bennett is
ready to serve on philanthropic prin-
ciples with his new toy. But it is hard
to see how Bennett can offer anything
like the facilities which the Western
Union now gives to customers all over
the continent. Apart from that there is
some doubt in the minds of conservative
business men whether he will persist in
his new "Far East" and whether his
present passion for cableing may not
evaporate, as his love for polo, sup-
per, yachting and arctic exploration
has disappeared.

AID FOR EX-SOLDIERS.

NEW YORK, Nov. 14.—The Tribune's
special says that the Pension Com-
missioner has made a discovery that there
are 100,000 ex-soldiers yet living in the
United States who have never applied
for pensions. These men are getting
along in years, and disorders contracted
in the service are manifesting themselves
in pensionable disabilities, and the pen-
sion rolls are likely to increase for some
years. Petitions are now in circulation
praying Congress to pass an arrear of
pensions bill. Applicants whose
claims have been filed for the first time
within the last two years are not entitled
under the existing law to arrears. The
proposition is to have all restrictions and
limitations removed.

NEW CHIEF OF POLICE.

CHICAGO, Nov. 14.—Mayor Harrison
has appointed Austin J. Doyle chief of
police of Chicago, and the appointment
has been confirmed by the Council.

Doyle has been well known in Demo-
cratic political circles for many years.
He has been secretary of police, deputy
and acting chief since W. J. McConigle
resigned to run for sheriff.

REPUBLICAN MAJORITY.

SPRINGFIELD, Nov. 14.—Complete
official returns on the next Legislature
show that the next House will have 77
Republicans, and the Senate 31, and, as
already indicated in these dispatches,
giving that party 12 majority on joint
ballot, and control of both branches of
that body.

**TROOPS HELD CULPABLE FOR FIRING ON
A MOB.**

ASHLAND, Nov. 14.—The coroner's
jury inquiring into the cause of the death
of the persons killed during the transfer
of Neal and Craft from Cattlesburg to
Lexington, Kentucky, find Maj. Allen,
Commander of troops, culpable for order-
ing and permitting the firing.

A LECHEROUS NEGRO HUNG.

COLUMBUS, Nov. 14.—Last Monday
evening, near Big Bear Valley, Miss
Patre, a white woman of loose reputation,
was raped and murdered by a negro.
The murderer was captured, examined
and committed to jail. He escaped, and
Tuesday night was taken from the custody of the officers of
the peace by a mob and hung.

BURNED.

GALVESTON, Nov. 14.—The News-
Crocket special says: The Court House
in which was the Jail and Postoffice was
destroyed by fire yesterday morning.
All the records were lost. The prisoners,
a white man named Oliver McCaverty,
and a negro, Sam Ditty, perished in the
flames.

PUDDLERS' STRIKE.

ST. LOUIS, Nov. 14.—Eighty or ninety
puddlers and helpers employed at the
Laclede Rolling Mill, have struck against
the ten per cent reduction made under
an agreement between the mill owners
and the amalgamated iron workers. All
the other union men at Laclede will also
go out.

A NEPHEW OF GRANT DEAD.

ELIZABETH, N. J., Nov. 14.—Harry
Lockwood Grant, aged 25, the oldest son
of the late Orville Grant, and nephew of
the ex-President, died last night of
typhoid fever. He was employed in the New
York sub-treasury.

BEECHER SUED.

NEW YORK, Nov. 14.—The suit of
Sam Wilkeson against Henry Ward
Beecher was called to-day before Judge
Barrett in the Superior Court. The
action is for breach of contract. Beecher
contracted with the publishing firm of
Ford & Co., in December 6, to write the
life of Christ. He agreed to write the
book within eighteen months, and re-
ceived as part payment in advance, and
before signing contract, \$10,000. Wilke-
son was a partner in the firm and paid
the advance. Since then, plaintiff says,
he has never been able to get the book
from Mr. Beecher nor the \$10,000 ad-
vanced. The first part was furnished to
Ford & Co. some years ago and was
published and circulated, whilst the sec-
ond part was only partially furnished by
defendant. The plaintiff alleges that he
was put to considerable expense in pre-
paring the work for printing and sued to
recover the expenses. When the case
was called to-day both sides were
ready. Beecher was present and sat by
his counsel, Thos. G. Sherman.

FELL FROM GRACE.

BALTIMORE, Md., Nov. 14.—During
the Moody and Sankey revival in this
city, some years ago, a most notorious
gambler, named Wm. Truheart, was
converted, and announced publicly his
intention to retire from business. The
conversion took place at Mt. Vernon,
one of the wealthiest Methodist Epis-
copal churches in the city, and attracted
much attention. Truheart gave evidence
of sincerity, closed his gambling hell
and became a regular attendant at church
for some time after he was out of em-
ployment, and coming to want, the
church members gave him the position
of sexton, then vacant. Truheart since
has collected rents amounting to \$10,000
yearly, and made prompt returns until
recently, when it was found that he was
\$1,400 short. He acknowledged the em-
bezzlement, and stated that the money
had been spent in gambling, his old pas-
sion having resumed sway. The trustees
of the church are considering whether to
have him arrested or not.

JEANNETTE EXAMINATION.

WASHINGTON, Nov. 14.—Melville to-
day continued the account of his land
trip giving no new or interesting points
except to state in answer to questions
that he believed the trip was made as
quickly as could be done, no unneces-
sary delays occurring at any point. He
was asked to state the cause of Collins
being suspended from duty, and he re-
plied that he did not positively know
the cause but that Collins was in his
usual health and fit for duty at the time.

IN FAVOR OF BENNETT.

WILMINGTON, N. C., Nov. 14.—The
vote of this State is so close between
Bennett and Dockery for Congressmen
at large that it will probably take an
official count to decide the result.
Chances seem to favor Bennett, Demo-
crat for fifty majority.

THE IRISH LEAGUE.

BUFFALO, Nov. 14.—At a general
meeting of the Land League branches
yesterday, a resolution was adopted
endorsing the Ireland League as now
constituted, together with its leaders'
principles and plans.

BRAVE BEAR MUST HANG.

YANKTON, D. T., Nov. 14.—The Presi-
dent finally refuses to interfere in the
case of the Indian, Brave Bear, and he
will be hanged to-morrow, about 11
o'clock.

STONEMAN RESIGNS.

SACRAMENTO, Nov. 14.—Gen. George
Stoneman to-day filed his resignation as
Railroad Commissioner with Governor
Perkins. It is to take effect November
15th.

EXPLODED.

CLEVELAND, Nov. 14.—Yesterday
afternoon the boiler in the Forest City
Iron Works, exploded, killing four men
and seriously injuring four or five more.

and ice here yesterday morning.

DALLAS, Tex., November 14.—Frost
here last night. The mercury showed
28 degrees.

BURIED ALIVE.

MACON, Ga., Nov. 14.—Wm. McLen-
done, Sum. Stafford and William Starr
(negroes) were killed by a caving sand
bank on the line of the Macon and Brun-
swick railroad.

FOREIGN.

CONTROL OF EGYPTIAN FINANCES.

PARIS, Nov. 14.—Figaro has a dis-
patch from Cairo which affirms that the
governments of England and France en-
tered into a definite agreement in regard
to the control of finances of Egypt. It
says that France has accepted the offer
of England that the presidency of the
Public Debt Commission be given to
France as a compensation for doing
away with the present system of control.
Other matters relating to organizing
the finances of Egypt will be treated by
these two governments, in concert with
the other great powers of Europe. Of
their approval, Gladstone, says he has
already sufficient assurance.

TURNING APPROVER.

DUBLIN, Nov. 14.—The trial of Pat-
rick Joyce, on the charge of being a par-
ticipant in the massacre of the Joyce
family, at Moamtrasna, was continued
before Judge Barry to-day. Another
prisoner accused of murder turned ap-
prover, and the case is likely to be fully
made out.

THE WESTPHALIA COLLISION.

LONDON, Nov. 14.—Captain Ludlow,
of the steamer Westphalia, states that the
steamer with which his vessel came in
collision burned blue lights at her mast-
head for two hours after the collision,
and the crew would have had ample
time to escape. He says they must have
floated their boats, and is very hopeful
that all will be heard from.

THE WESTPHALIA'S PASSENGERS.

LONDON, Nov. 14.—The steamer
Westphalia will forward all her passen-
gers direct to London, and will herself
proceed to Hamburg as soon as she is
sufficiently repaired to undertake the
journey. This will probably be to-mor-
row, as her injuries are not serious.
Nothing has yet been heard from the
first officer's boat.

TYPOS ON A STRIKE.

LONDON, Nov. 14.—Printers in the
city working on newspapers have entered
on a strike for higher wages. Some pa-
pers have acceded to the demands made
by the strike and others are progressing
usual. In general, however, the prop-
rietors have stood out, and the printers be-
lieved equally firm there is a deadlock at
the cases.

RELIGIOUS FESTIVALS IN TURKEY.

CONSTANTINOPLE, Nov. 14.—The
Sultan held a levee to celebrate the
1300th year of the Mohammedan calen-
dar, which according to the predictions
of soothsayers will give to the world a
new prophet of Islam. A new revela-
tion made public by astrologers assured
the Sultan that he himself is the mohd, or
new prophet of Islam. The celebra-
tion of mystic solemnities is so universal
that business is at a standstill, and the
streets are given up to processions and
religious festivals.

MRS. LANGTRY'S RECEPTION.

LONDON, Nov. 14.—The World con-
siders the New York reception of Mrs.
Langtry as creditable to Americans from
every point of view, and at once enthusi-
astic and discriminating.

The Prince of Wales will preside at
the Longfellow memorial at the lyceum
to be held in January.

NO CHOLERA IN MECCA.

peared here since the 14th inst.
