RESCUE CHANCE FOR AXIS ARMY NOW SLIMMER
Overwhelming Defeat in Air Endangers Hope of Withdrawal
By GLENN RABR

If the Axis command had not already made its decision as to whether to attempt a Dunkerque rescue of its armies in Tunisia, the fate of its transport planes off Cape Bon Sunday and yesterday may have helped it make up its mind. This has produced some tremendous air spectacular, but nothing like the Dunkerque rescue.

6 American Planes Smash Home Daring Blast At Kiska; Story of Volunteer Fliers Revealed

The following story is a dramatic description of a hazardous night mission by a group of six American volunteers who, under the leadership of a young pilot, attacked the Japanese base at Kiska, Alaska, on April 18.

The volunteers, who were known as the "Six of Daring," were a mix of military and civilian pilots. They were motivated by a desire to strike a blow against the Japanese and to prove their own worth.

The mission was a high-risk operation. The volunteers had to fly over enemy territory and land on a small, isolated island. They were equipped with a variety of weapons, including bombs and machine guns.
