

Two options for proposed zoo expansion

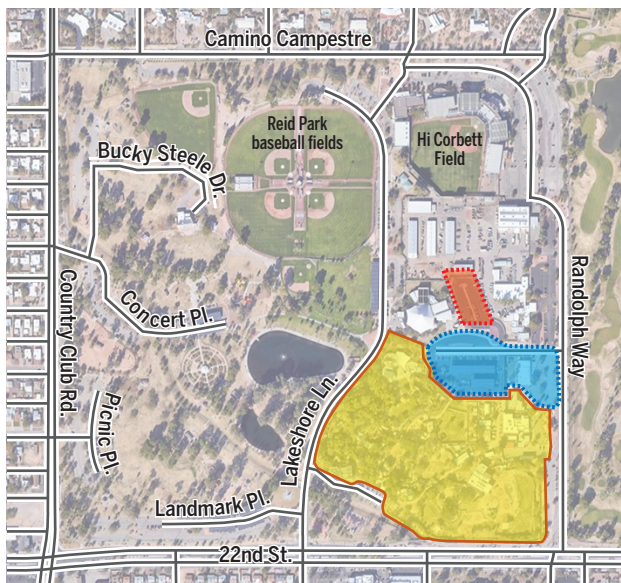

Proposal D. Proposal would expand Reid Park Zoo to the northwest but would preserve access to the Barnum Hill area and the south duck pond. It would delay the project about a year and cost an additional \$3.6 million.

Legend

 Existing zoo grounds  New zoo grounds ("D" concept)

Proposal G. Proposal would expand Reid Park Zoo north into the current parking lot. This would delay the project by several years and cost an additional \$15 million to \$25 million. A parking structure would need to be constructed as part of this expansion.

Legend

 Existing zoo grounds  New zoo grounds ("G" concept)
 New parking garage ("G" concept)
