USE OF FBI AS 'STATE POLICE' HITS OBSTACLE

Justice Dept. Sees Peril in Plan Making Bureau Pass on Loyalties... WASHINGTON, March 17.—(AP)—The department of justice today expressed grave concern over a congressional proposal...

The plan, already approved by the house, would require the FBI to pass judgment on the loyalty of government employees... The FBI character would be changed, first by house-passed amendments to the national foundation bill...

Should they be, he pointed out, law enforcement agencies would not have an extremely radical and unwise change in the law... The FBI character would be changed, first by house-passed amendments to the national foundation bill...
