

Reid Park Zoo expansion concept

City officials are working on a new layout of the Reid Park Zoo expansion that would take over its existing parking lot and save park space.

- Uses no open green space
- Reclaims parking lots for zoo green space
- Addresses animal welfare
- Meets budget goal
- Minimizes impacts to Lakeshore Lane
- No impacts to Reid Park form and function
- Replaces parking within existing hardscape area
- Results in a compact, highly operable zoo
