

Pima County eviction filings, outcomes 2022

The number of judgments entered in Pima County's eviction cases have already surpassed 2020's totals, and nearly surpassed 2021's. As of July 31, 6,756 judgments have been entered in the county's Consolidated Justice Court. That's nearly the same as all of 2021, with 6,929 judgements, and more than the total in 2020, when there were 6,617.
