

COVID-19 in Pima County

COVID-19 in Arizona

SOURCE: Arizona Department of Health Services
Figures as of Friday, April 23.

Data is updated frequently and may have changed. Find the most up-to-date data at [AZDHS.gov](https://www.azdhs.gov).

The Star is accounting for a one-week lag in tests and cases reported to ADHS. We are accounting for a two-week lag for deaths and hospitalizations. Tests and cases are included through April 17. Hospitalizations and deaths are included through April 10.

The state breaks down COVID-19 cases and tests by county but does not make data on deaths and hospitalizations readily available by county.

The Star aggregates data by week to account for natural day-to-day increases and decreases throughout any given week. Weekly totals are aggregated from Sunday to Saturday.

Tests include PCR tests, also known as diagnostic tests.
