Initial Case Narrative by Ofc. K. Knapp #V237
V15071261

On 07/29/2015 at approximately 1555 hours I was traveling north bound on La
Cholla approaching Orange Grove and got into the east bound Orange Grove right
hand turn bay. There was a solid red light and I was behind a white sedan,
bearing AZ license plate ▉▉▉▉▉ The sedan rolled through the red light at
approximately 15 MPH, never coming to a complete stop and turned east bound onto
Orange Grove. At *************************************
the driver, Leonardo Guzman-Garcia, I advised him why I was stopping him and
requested his driver license, registration and proof of insurance. Leonardo
provided me an expired insurance card and the vehicle registration. When I asked
Leonardo for his driver license, he advised that he did not have a driver
license, and has has never had a driver license out of any jurisdiction. I then
asked Leonardo what his SSN was and he advised that he did not have one. I asked
Leonardo if he was in the United States on a work visa and he advised that he
was not and he was here illegally. Leonardo was assigned an AZ driver license
number, but we were unable to locate any valid/expired/suspended driver license.
At this time I contacted Border Patrol and advised them of my findings. I was
advised by Border Patrol dispatch that they would send an agent to the stop
location. Agent S. Estrada T613 responded under Border Patrol report #T2140. At
the conclusion of his investigation, Agent Estrada advised me that he was going
to be taking custody of Leonardo. At approximately 1628 hours Tucson Wrecker
Pool arrived on scene and took possession of Leonardo's vehicle. Leonardo was
given a copy of the tow sheet, he was the sole RO of the vehicle and there was
no lien on the vehicle at the time of this stop. Leonardo received a civil
citation for ARS 28-645A3A failing to stop at a red light, ARS 28-4135C no proof
of insurance and ARS 28-3151A no valid driver license. NFI KK V237
