

# Pima County ZIP codes eligible for social equity licenses

The "social equity ownership program" — developed as part of passage of Prop. 207 which, legalized recreational adult-use marijuana in the state — awards 26 marijuana dispensary licenses to "communities disproportionately impacted by the enforcement of previous marijuana laws." One of the four criteria for applicants to qualify for the chance to win a license is living at least three of the past five years in one of 87 ZIP codes, eight of which fall wholly or partially within Pima County, that the Arizona Department of Health Services selected last week. Here are those Pima County ZIP codes:
