

RSA of Removal for African American Children in Foster Care

Map Area: Pima County

Note: A pie chart will appear on the map only within RSAs that have had African American children removed from the area.

Rational Service Areas (RSAs) are based on Primary Care Area alignments developed by the Arizona Department of Health Services (ADHS) Geographic Information Systems Program, ADHS Bureau of Health Systems Development, and the ADHS Bureau of Public Health Statistics (BPHS).

This map shows the number of children who were active in the foster care system on March 31, 2017. RSA counts are based on the child's home location at the time of removal.

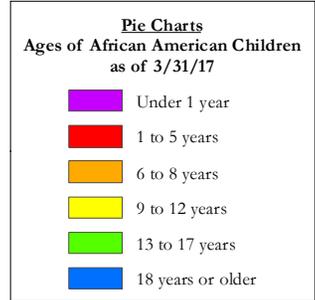

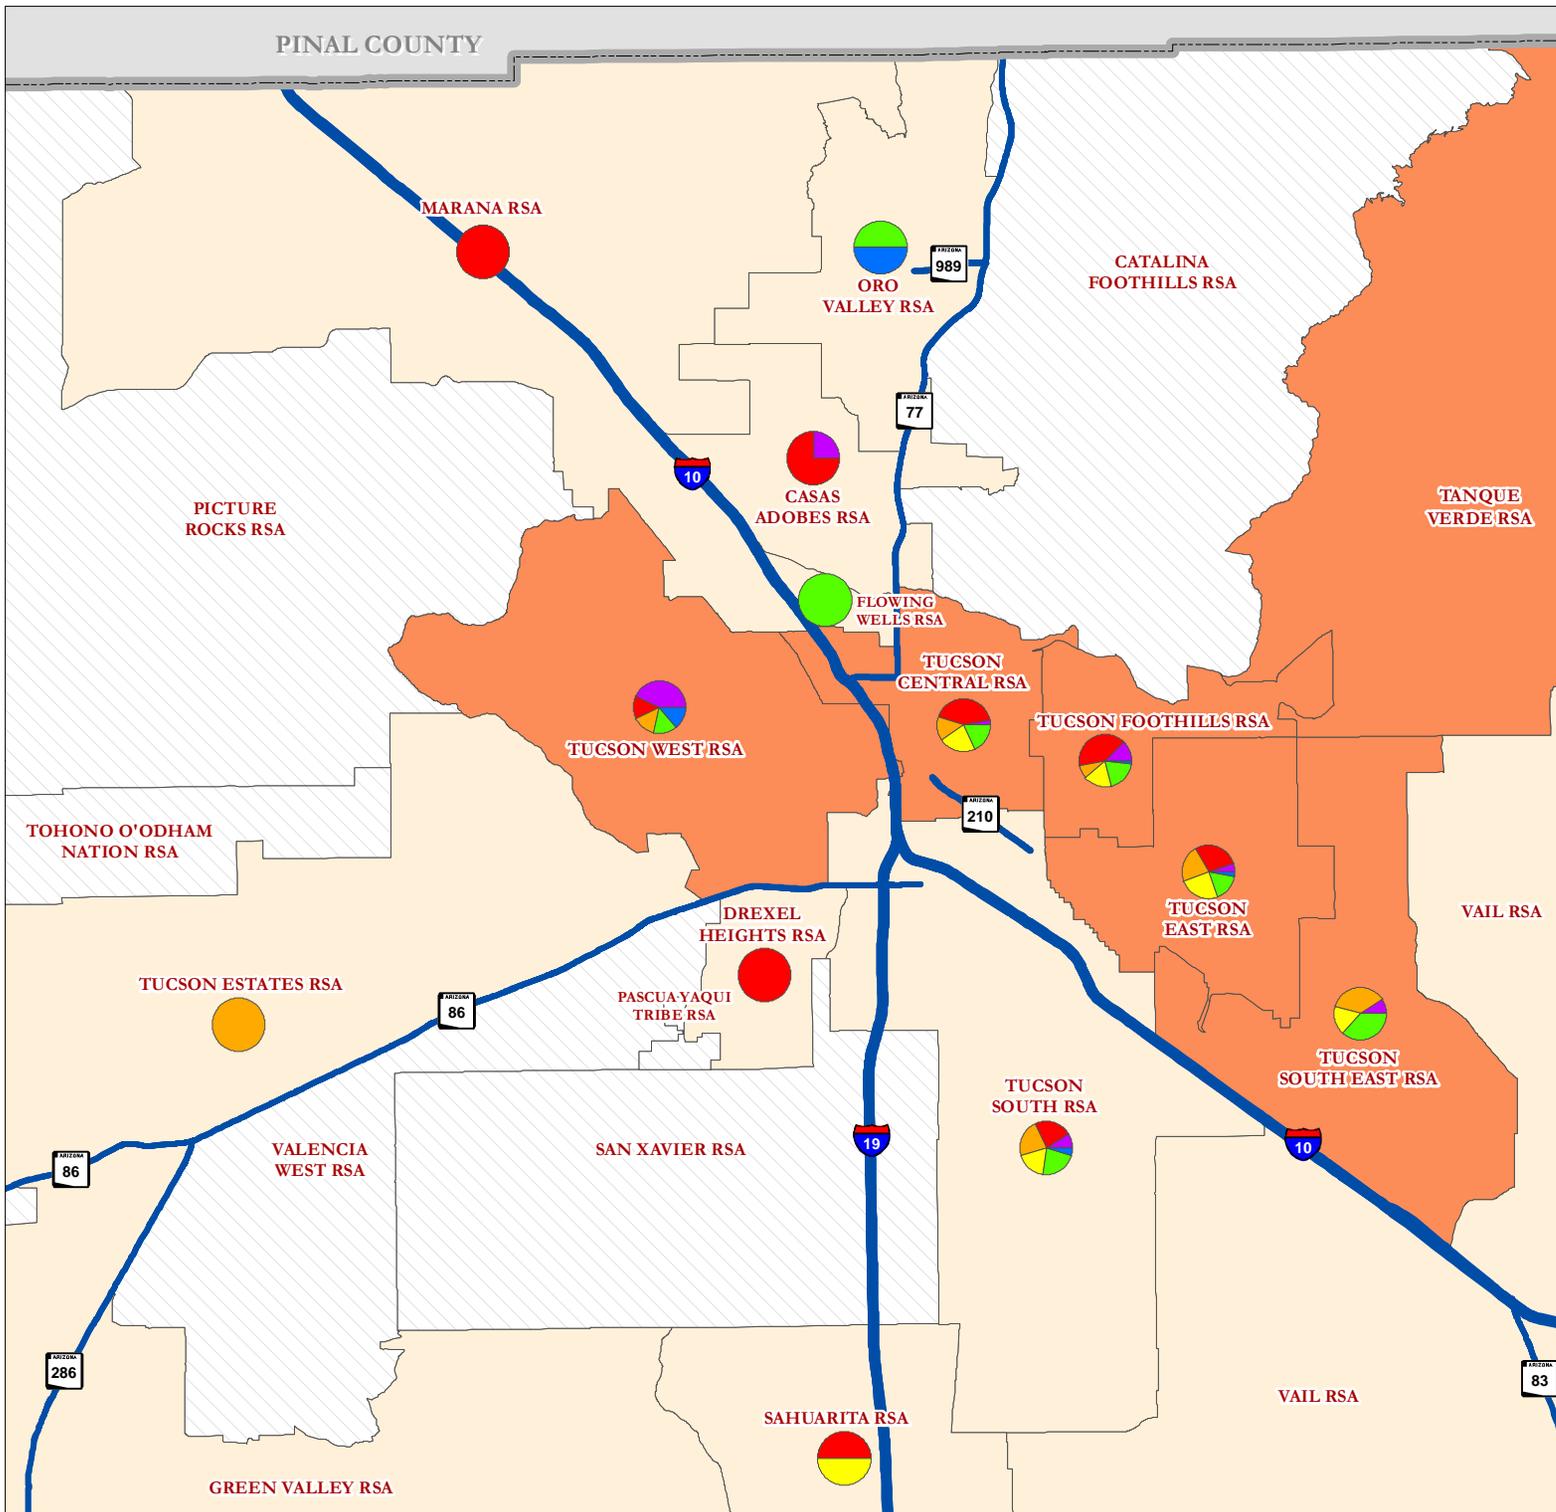

This map is for recruitment purposes only. For official data, call 602-255-2500.

Map prepared by the Arizona Department of Economic Security (DES) Geographic Information Systems Program in May 2017. (DES GIS Project ID: 317003)

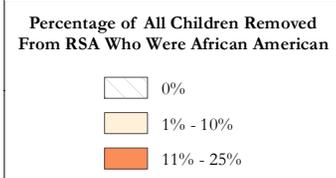

RSA of Removal for African American Children in Foster Care

Map Area: Pima County - Tucson Area

Note: A pie chart will appear on the map only within RSAs that have had African American children removed from the area.
