METHODISTS HONOR NEW PASTOR Plan Reception for Rev. H. A. Ingham LOCAL MUSICIANS TO BE HEARD

THE REV. H. A. INGHAM and Mrs. Ingham, who arrived last week from Los Angeles, will be welcomed into the circles of the Methodist church on Wednesday evening at the church, when a group of Tucson musicians will give a program, followed by a social interval, at which all new members of the church and Mr. and Mrs. Ingham will be received.

Rev. Ingham came to Tucson to officiate as pastor of the Methodist Episcopal church and occupied the pulpit in that church Sunday morning, October 23, for the first time. Mrs. Ingham arrived during the week and the pastor and his family are now comfortably located. Rev. Ingham has expressed his liking for Tucson as a progressive city with a live church interest, and says he has found splendid co-operation since he came to the city.

University Head to Speak

Dr. R. B. von KleinSmid, president of the University of Arizona, who has resigned his leadership of that institution of learning, and who will soon be leaving the city for his work in the University of California, will be one of the speakers of the Wednesday evening gathering.

Dr. W. Whitmore, an old resident of the city, who has been actively

engaged in the church work of the Methodist organization, will also have something interesting to say in the way of a welcome to the new pastor and his family.

To Hear New Singer

Miss Grace Lamson, soprano, a singer who has recently arrived in the city, will be heard for the first time by a Tucson audience in a solo number. Miss Lamson is a Cleveland singer, who has studied with masters in Europe as well as the United States, and Tucsonans will have the first opportunity to hear Miss Lamson at this meeting.

Miss Lois Whisler, pianist, a local artist, will play.

Miss Margaret Ferguson, soprano, will sing a tuneful waltz song in her usual charming way and Miss Gale, impersonator, will give a clever reading. Miss Gale has appeared in impersonations before to Tucson audiences.

All friends of the church and members of other churches in Tucson are cordially invited to attend this program. It is given for the purpose of giving Rev. Ingham and Mrs. Ingham a welcome to the social and musical circles of the Old Pueblo, and everyone interested is requested to be present. The members of the woman's society will be the hostesses on this occasion.

PUEBLO CLUB'S DANCE TO BE BIG EVENT OF YEAR

Famous Men's Organization of Tucson to Surpass Former Affairs in Grand Ball

INVITATIONS ARE ARRIVING today for the first social affair of the season given by the Old Pueblo club members. The event will be a formal ball at the club ballroom, beginning at 9 o'clock Monday, November 7, for members and their guests.

The program committee, composed of George Kitt, Gustave Stern, Herbert Drachman and Roy W. Place, have termed this event "An Event of Dancing," and nothing has been spared to make the arrangements perfect and befitting an opening affair of the most popular men's club in the city.

The clubhouse on Stone avenue promises to be the scene of one of the gayest parties given there for many a moon, meaning that socially inclined members will feel that the merry whirl of winter events have been given a proper start.

The Old Pueblo club is one of the widely known men's clubs in the southwest, with a membership embracing leading men of the west, who insist that in all their travels, east or west, they have never found a club so hospitable and homelike in its atmosphere and none so compare with its cuisine.

Members who have wandered far during the season have always returned with this expression of appreciation of the satisfaction they derive from their membership in the Old Pueblo club.

"We want to extend this feeling to the members who return year after year," said George Kitt yesterday, "and our affairs of the season will be given with this idea in view. Some of the guests of the club have not as yet returned for the year, but when they do it will be to find that the Old Pueblo is bigger and better than ever."

WHAT IS THE KU KLUX KLAN?

How has it grown from a nucleus of thirty-four charter members to a membership of more than 500,000 within five years?

How have its "domains" and "realms" and "Klans" been extended until they embrace every State in the Union but Montana, Utah and New Hampshire?

What are the possibilities of an order that preaches racial and religious hatred of the Jew and the Roman Catholic, of the negro and the foreign-born citizen?

What are the possibilities of a secret organization that practises censorship of private conduct behind the midnight anonymity of mask and robe and with the weapons of whips and tar and feathers?

What ought to be done about an order whose members are not initiated but "naturalized," whose oaths bind them to obedience to an "Emperor" chosen for life?

What ought to be done about an organization with such objects when the salesmen of memberships in it work first among officers of the courts and police departments, following then with the officers on the reserve lists of the military and naval forces?

At the end of months of inquiry throughout the United States and in the performance of what it sincerely believes to be a public service, The Star this morning continues the publication of a series of articles in which answers to these questions will be offered, set out against the vivid background of as extraordinary a movement as is to be found in recent history.
