Remarks: A few months prior to his resignation from the El Paso Police Department, Officer Nanos' attitude and production was deteriorating. He had a problem with attendance (tardiness). However, before this Officer Nanos' attitude was very good and his potentials excellent. His work was always above standards. Officer Nanos was "Officer of the Year" about four years ago. He saved his partner's life during the commission of a felony call. Officer Nanos has all the potentials and abilities to do his work. He needs to mature and be a responsible person. He was suspended a number of times.
