# Japs Inframe Russia Against America

## Anti-American Feeling In Siberia Due to Agents of Japan, Washington Hears

**Articles in Vladivostok Newspapers Controlled by the Japanese Cast Reflections on the United States and Its Siberian Policy, According to "Well-Informed Critics"; Jap War Party Blamed; Situation Is Delicate One**

(By A. Hanson) Washington, March 19.—American agents in the east have been asked for information regarding reports that during the independence movement in Korea the American consul at Seoul was arrested by Japanese soldiers and American missionaries, including women, subjected to indignities.

(By A. Hanson) Washington, March 19.—Reports of growing anti-American feeling in eastern Siberia have been for some time in the hands of the state department. This was learned authoritatively today in connection with an American Embassy dispatch from Vladivostok, telling of widespread opinion in eastern Siberia that the activities of the American military forces in the region.

The reports it was learned, came from both American diplomatic and military representatives in Siberia and officials of the state department. It was said that the reports were not only received, but were being investigated by the state department. It was said that the reports were not only received, but were being investigated by the state department.
