CITY ATTORNEY

RE: Unlicensed Massage Businesses

To Whom It May Concern:

I decline to issue charges based on the documentation with which I've been provided.

While the men interviewed provided much circumstantial corroboration of the suspected criminal activity at the unlicensed businesses the crucial specifics of their involvement e.g. who, when, where, how much? were often vague or entirely absent.

Please advise if you need anything further from me.

Yours truly,

Alan L. Merritt
