OATH GIVEN TO INVISIBLE EMPEROR

KLEAGLE'S PLEDGE OF LOYALTY

I, the undersigned, in order to be a regular appointed Kleagle of the Invisible Empire, Knights of the Ku Klux Klan (Incorporated), do freely and voluntarily promise, pledge and fully guarantee a lofty respect, whole-hearted loyalty and an unwavering devotion at all times and under any and all circumstances and conditions from this day and date forward to William Joseph Simmons as Imperial Wizard and Emperor of the Invisible Empire, Knights of the Ku Klux Klan (Incorporated). I shall work in all respects in perfect harmony with him and under his authority and directions, in all his plans for the extension and government of the Society, and under his directions, with any and all of my officially superior officers duly appointed by him.

I shall at any and all times be faithful and true in all things, and most especially in preventing and suppressing any factions, claims or conspiracies against him or his plans and purposes or the peace and harmony of the Society which may arise or attempt to arise. I shall discourage and strenuously oppose any degree of disloyalty or disrespect on the part of myself or any klanman, any where and at any time or place, towards him as the founder and as the supreme chief governing head of the Society above named.

This pledge, promise and guarantee I make is a condition precedent to my appointment stated above, and the continuity of my appointment as a Kleagle, and it is fully agreed that any deviation by me from this pledge will instantly automatically cancel and completely void my appointment together with all its prerogatives, my membership in the Society, and I shall forfeit all remunerations which may be then due me.

I make this solemn pledge on my Oath of Allegiance and on my integrity and honor as a man and as a klanman, with serious purpose to keep same inviolate.

Force Has Been Increased.

Since the date when Imperial Kleagle Clarke prepared the above list for the information and guidance of Ku Klux, Inc., sales force, there have been additions to and changes in the territorial assignment of the personnel, some of which will be noted at appropriate points in this series. But as it stands the list is a sufficiently accurate roster of the force which is peddling Ku Kluxism on a strictly commission basis and under bond for turning in the "Imperial" share of the "donations" gathered.

One further point is to be noted. The salesmen are put under a special pledge of personal fealty to their "Emperor." William Joseph Simmons, as the pledge copied in the accompanying photograph makes plain. On their oaths of allegiance to the "Invisible Empire" of which they are "naturalized citizens," they solemnly pledge "lofty respect, free-hearted loyalty and an unwavering devotion" to the Imperial Wizard, promise to suppress all factions, "claims"—another bit of wizardly spellings—or "conspiracies" against Simmons or his plans and purposes, and agree to oppose strenuously any degree of disloyalty or even disrespect toward him as supreme chief governing head of the Society he founded.

As The Star goes further into the analysis of the mass of evidence it has collected, other instances of the "Colonel's" devices for keeping the profitable business of Ku Kluxism, Inc., safely in the hands of its original proprietors will come up for notice.
