

THE UNIVERSITY OF ARIZONA

Parking & Transportation Services

Commencement is Friday, May 11, 2018 at 7:30pm in Arizona Stadium

Parking is available for UA Commencement 2018 at all University surface lots and garages. We suggest that you park in any UA visitor parking garage, surface lots south of 6th Street, or north of the UA Mall in order to avoid traffic congestion and parking confusion. Distance to Arizona Stadium from these areas is a pleasant walk or you may take UA Cat Tran shuttle or UA Disability Cart Service. Shuttle service will be provided from 5:00 p.m. until 10:00 p.m. Shuttle stops are located as shown. Cat Tran drop off for the event is on the south side of Arizona Stadium.

Disabled parking will be available in Cherry Avenue Garage and Lot 6098. For more information, please call UA PTS Special Events at 520-621-7293.

Please use our UA parking locator partner, Metropia, to help find event day parking on campus. Get real-time parking availability with Metropia, a UA homegrown traffic solution app. Metropia helps you steer away from full lots, drive straight to free parking, and avoid traffic congestion. Go to your app store to download and start using Metropia. Welcome to campus, Bear Down!
