FDR, May Sign Price Bill, Ask For More

WASHINGTON, Jan. 28.—(AP)—President Roosevelt was reported authoritatively today to have decided to approve the much amended "price control bill" and at the same time to issue a strong statement saying that it does not go far enough in its intended control of war-time inflation.

The program, as approved by the president, would authorize a price administrator to place ceilings on the prices of raw materials and to become discretionary in the fixing of prices...
