

# THREE GERMANS IN F.B.I. CUSTODY HERE

---

Four Germans, two Japanese and one Italian have been arrested by Federal Bureau of Investigation officers in southern Arizona since the outbreak of the war with Japan, it was announced yesterday.

Three of the Germans were taken into custody here and the other at Nogales. The Italian was arrested at Tubac.

The seven aliens will be turned over to immigration officials, who said yesterday they probably would be sent from here to El Paso. Whether they will be placed in concentration camps in that area or elsewhere was not known.
