

# COVID-19 in Pima County

# COVID-19 in Arizona

SOURCE: Arizona Department of Health Services  
Figures as of Friday, Nov. 19.

The Star accounts for a one-week lag in cases and vaccine doses reported to ADHS. We account for a two-week lag in hospitalizations and deaths. Cases and vaccine doses are included through Nov. 13. Hospitalizations and deaths are included through Nov. 6.

Weekly totals are aggregated from Sunday to Saturday. Data is updated frequently and may have changed. Find the most up-to-date data and additional disclaimers about each dataset at [azdhs.gov/covid19/data/](https://azdhs.gov/covid19/data/).
