

A sketch of the Mission of San Xavier del Bac has been printed at the STAR office by direction of the Bishop, of whom it can be obtained. The price of the pamphlet is fifty cents, and the proceeds are to be used for the completion of St. Mary's Hospital. This is a worthy aim and deserves to be encouraged by the public irrespective of religious opinions. The sketch is well written and exceedingly interesting. It gives a complete description of one of the most wonderful structures ever seen and which has obtained the admiration of all its beholders.
