

COVID-19 in Pima County

COVID-19 in Arizona

SOURCE: Arizona Department of Health Services

Figures as of Wednesday, July 6. ADHS publishes COVID-19 data once a week on Wednesdays. These charts account for a four-day lag in cases and vaccine doses reported to ADHS. For hospitalizations and deaths the lag time is 18 days or longer.

Weekly totals are aggregated from Sunday to Saturday. Find the most up-to-date data and additional disclaimers about each dataset at azdhs.gov/covid19/data/.
