

To all parties,

I was a student at DeSisto Private School in Stockbridge, Massachusetts. I have recently been contacted by members of the news media regarding untrue allegations of an inappropriate relationship with Paul Babeu. I have never at any time lived with or engaged in any inappropriate sexual relationship with Paul Babeu. I have remained personal friends with Paul Babeu. I personally enjoy a successful professional career and private life. I am reviewing any potential legal action I might take based on the defamation to my name and reputation. Please do not contact me or my family for further comment."
