Senators Urge U. S. Take Vigorous Steps Toward Crushing I. W. W. Menace

King of Utah Defends Biases Deportations by Declaring That Report of Wilson Mission Commission on Arizona Was "Quasi-Justification" of the I. W. W.; Saboteurs Leaders Coddled by Labor Dept.

(By the Associated Press)
WASHINGTON, March 21.—(Special) members setting out the previous timber land of a W. W. activities, now take the law into their own hands to suppress (continued) charges that the leaders of the I. W. W. and predictions that sabotage and other hazardous activities to embarrass the government, several projects are being in progress in the spring and summer, favored the senate debate today on the administration to encourage the government to continue timber and road building operations.

Details Sudden and Certain
The debate started up suddenly and lasted so long that time allotted for consideration of the bill was used up and Chairman Chamberlain of the military committee left it over for action later.

Senators were not surprised by the declaration that the government should act with alacrity and decisively to meet what they characterized as a menace to the nation. Senator Chamberlain particularly declared it might be necessary to send troops into the upper forests to protect

\$2.50 PRICE OF WHEAT SET IN BILL BY SENATE

Measure Now Goes to the House; President Is Expected to Use His Veto in Deference to the Wishes of Food Administration

(By the Associated Press)
WASHINGTON, March 21.—The agricultural appropriation bill, with the amendment increasing the price guarantee guaranteed wheat price to \$2.50, was passed today by the senate. It now goes to conference between the two houses, where there will be another fight over the wheat price.

The wheat amendment was adopted 49 to 11 after five days' discussion in the senate. It provides for the payment of \$2.50 per bushel for wheat of the standard of the food administration, instead of the \$2.00 per bushel which was the standard of the food administration.

Under a provision in the bill, the price of wheat will be \$2.50 per bushel for wheat of the standard of the food administration, instead of the \$2.00 per bushel which was the standard of the food administration.
