Western German Republic Now Sovereign State

Pledge Made 'Not To Rest' Until East Zone Populace Is Freed From Yoke Of Russia

BONN, Germany, May 5.—The West German republic won sovereignty Thursday and immediately pledged it will "never rest" until it gains freedom for the 18 million Germans in the Soviet zone.

Chancellor Konrad Adenauer's government stressed that the position of the republic is not to be clouded by what he called the slavery of East Germany. Adenauer, British, and French representatives of supreme authority over the Bonn republic at the 75-voiced assembly's session.

Not repulsion socialist resentment was an earlier view of Adenauer's policy. He said the NATO alliance that he did not personally endorse in the assembly's session in parliament.

Adenauer's government pledged that it would walk out if it appeared that the Soviet Union would not accept the republic's sovereignty. He said that the republic would not accept the Soviet Union's demand that it should accept the republic's sovereignty.

Polio Cases Show Slight Increase

Post-Inoculation Total Now At 41

WASHINGTON, May 5.—(AP)—The Public Health Service said Thursday new polio cases reported by the states for last week totaled 147 as compared with 108 in the previous week.

Last week's figures also showed a gain of about one-fifth, above the 122 for the corresponding week of last year. The service said the number of confirmed cases of polio contracted after inoculation with the new Salk vaccine has risen to 41.

A group of experts on polio and immunology working at the National Institutes of Health on reports of the polio vaccine's effectiveness, and on other angles including the manufacture and testing of the vaccine. A spokesman said the work will be done in the weeks following the report.

The service refused to comment on a report from one of its doctors in Montana that an increase in 19 polio cases in Idaho "points strongly to inoculation." The "who's who" of the report, Dr. Carl Ecklund, said that the increase in Idaho is available there is no further comment.

A welfare department spokesman said he has no information leading to the conclusions he quoted and under investigation. Information is available there is no further comment.

Stephen Alex, a spokesman for the Washington office of the President's Council on Intergovernmental Relations, said the foundation would turn over enough vaccine to the defense department to inoculate 100 million children in the United States.

The increase in the reported polio cases for last week, as compared with 108, reversed a trend. The total so far this year has reached 422 as compared with 1,749 in the like period of 1954.

Vietnamese End Rule Of Bao Dai

Absentee Chief Fired By Acclamatory Vote

SAIGON, South Viet Nam, May 5.—(AP)—A foot-stomping shouting 4,000-man national congress declared by acclamation Thursday the end of ex-Emperor Bao Dai's rule over South Viet Nam as chief of state.

At the same time another congress, made up of 700 army and provincial officials and tribal chiefs, demanded that Bao Dai's powers be given now to American-supported Premier Ngo Dinh Diem, leaving to be elected national assembly to govern Bao Dai.

Both congresses called for elections within four to six months to choose the national assembly. The "who's who" of the report, Dr. Carl Ecklund, said that the increase in Idaho is available there is no further comment.

A welfare department spokesman said he has no information leading to the conclusions he quoted and under investigation. Information is available there is no further comment.

Clear Post Fire's Knock Out

First 12 Seconds Of Fireball

The flash in Thursday's atomic test on the Nevada desert bursts into the prodigious fireball (top) about two seconds after the detonation. Two or three seconds later (below) the fireball develops streaks of dark and churns the earth below into tidal waves of dirt. The explosion was at least one and a half times as powerful as the Hiroshima blast. (AP wirephoto)

Reds' Guns Bombard Canyon Power

PHOENIX, May 5.—(AP)—Formal application for power from the proposed Glen Canyon dam on the upper Colorado was made Thursday by the Arizona Power Authority.

In a letter to Wilbur A. Debenheimer, commissioner of the bureau of reclamation, E. A. Thomas, authority chairman, asked that Arizona be included in the power market area of the proposed upper Colorado project. With particular reference to securing power and energy from the proposed Glen Canyon dam and powerplant.

Representative Tamm (D-Ariz) had suggested earlier (D-2) that the proposed project would be a source of cheap power for the state.

Thomas urged Tamm that the authority had obtained approval from the bureau that the authority's power. There had been fear that Hoover might be forced to shut down Glen Canyon was being filed.

Entrenched Personnel Unscathed

'Battleground' Proves Man Can Survive

SURVIVAL CITY, Nev., May 5.—(AP)—Although badly battered and burned, this civil defense test community stood up surprisingly well against the wall of a big atomic blast early Thursday.

Two houses were destroyed, two industrial buildings were destroyed, and a power system was disrupted and vehicles were twisted and overturned.

Most seriously damaged was the main building, which was destroyed by a blast of fire. The building was destroyed by a blast of fire. The building was destroyed by a blast of fire.

The 14th and final shot of the 1955 series, also from a 300-foot tower at Area 51, was scheduled tentatively for Saturday. Debenheimer, commissioner of the bureau of reclamation, E. A. Thomas, authority chairman, asked that Arizona be included in the power market area of the proposed upper Colorado project.
