ICE arrests of elderly people

ICE arrests have increased under Trump – including arrests of elderly people. Here, the number of people 65 and over arrested by ICE across the U.S. each month is shown. Most are convicted criminals, but more elderly people without criminal records are being detained under Trump.

Note: Data includes only those who were arrested by ICE Enforcement and Removal Operations inside the country from September 2023 to mid-October 2025, the latest month for which data was available. It does not reflect actions taken by Customs and Border Protection. The October data only reflects half of the month.
